

# WENN DAS PROFIL PASST, STEHT WORK-SHOP DAHINTER.

Für unseren Kunden suchen wir:

Stellennr. 1581

## Trainee - Praktikant (m/w) - Global Process Management

### Tätigkeiten:

work-shop Personalmanagement GmbH with headquarters in Heerbrugg and a branch office in Schaan (FL) as well as a branch network of 8 further branches stands for more than 23 years as HR generalist for trust and customer proximity.

For our client, an international company headquartered in the Principality of Liechtenstein, we are looking for a suitable trainee for the Global Process Management Team.

### Tasks

Join the interdisciplinary team in Global Process Management and drive creation of a global Product Portfolio Management Academy as central platform to educate the team all over the globe in leveraging processes, methods and tools to further increase operational excellence within the innovation landscape.

We offer you the opportunity to become an expert in modern learning methodologies and creation of appealing communication and training materials. As Global Process Expert in the department you will be part of a corporate function that improves Hilti's innovation execution. You will work closely with the managers and experts to streamline the PPM (Product Portfolio Management) training offering. Your creativity is requested.

### Anforderungen:

#### Requirements

- Business or similar undergraduate or graduate student
- High proficiency level in English
- Self-organized and self-expressed personality
- Willingness to work with a Global team

#### We offer

The company will give you the tools you need to excel in your assignments, including one-to-one coaching. You'll enjoy a rare combination of autonomy and camaraderie, as you'll manage your own project while being part of a friendly team. You'll not just be another pair of hands but a fully integrated team member with lots of self-responsibility. From there, they will trust you to do whatever it takes to deliver outstanding results. Go the extra mile and they will reward you with strategic development discussions and career opportunities.

- Unique work culture
- Good and up to date employment conditions
- Modern work environment
- Thorough training in the area of responsibility
- A renowned employer of the best in Europe
- Exciting and interesting tasks
- Temporary placement of at least 6 months or more, start date is flexible
